

## VALLEY STREAM SOCCER CLUB SCHOLARSHIP PROGRAM

Each year, the Valley Stream Soccer Club awards scholarships to graduating high school seniors who have come through the Valley Stream Soccer program. The scholarships assist them with the costs of a post high school education.

Application Fees, Grants and Contributions help fund these scholarships. Scholarships are awarded to one graduate from each High School in Valley Stream and one Private High School. Each of these Scholarships is in increments of \$500.00. Recently, a unanimous resident of Valley Stream in Memory of Judy Boquiere funded an additional Scholarship for ten years. This Scholarship is also in the amount of \$500.00.

Scholarships are awarded annually as follows:

The **Jessica Troiano / John Labarbera Scholarship** honors the memory of the two former players who sadly passed away at the young ages. This scholarship is awarded to four (4) graduating seniors, one from each Valley Stream High School who played for the Valley Stream Soccer Club and one graduating Senior from a Private High School who played for the Valley Stream Soccer Club. The Scholarship is awarded in Memory of Jessica and John.

The **Judy Buccheri Scholarship** funded for ten years by “Friends of Judy Buccheri” beginning in 2009, honors the memory of Judy Bouquiere mother of Thomas, Nicole, Melissa and Anthony. Judy sadly passed away December 19, 2008. This scholarship is awarded at the Valley Stream Soccer Club’s Board of Director’s discretion to a graduating senior who best exemplifies service to community.

All scholarship applicants must meet the eligibility qualifications and follow the application procedures set forth by the Board of Directors. Announcement of the scholarship winners is made at the Valley Stream Soccer Club’s Spring Awards Ceremony.
